

PCC Mission, Core Themes and Objectives

Mission

Portland Community College advances the region's long-term vitality by delivering accessible, quality education to support the academic, professional, and personal development of the diverse students and communities we serve.

Approved by PCC Board of Directors, June 2010

Core Theme	Objective
Access and Diversity	Competitively priced educational offerings are available in an environment enriched by student, faculty and staff diversity.
Student Success	Students' progress from developing skills needed to succeed in college to completing a degree, certificate, transfer, employment and/or pursuit of life-long learning.
Quality Education	Evaluations external to PCC grades confirm students' master expected learning outcomes.
Economic Development and Sustainability	Academic, training and business development programs address the changing community workforce needs while college practices contribute to a sustainable environment.
