The Navigation Menu

You can access the Navigation Menu from any page by clicking on the Show Navigation Menu icon (). Use the Navigation Menu to access the learning suite functionality or to return to the Welcome Page.

Learning Suite Functionality

Learner Home

To access the Learner Home page, open the Navigation Menu (), select **Learning** to open a submenu and click on **Learner Home**. You can also click the orange **Search Training** button on the Welcome Page. On this page, you can do a keyword search of available training and view training recommendations based on things like your position and prior training completions. Learner Home also has an overview of your learning activities including assignments, due dates and completions.

On this page, you can define your learning subjects, create training playlists and review active training items and their associated due dates.

Events Calendar

To access the Events Calendar, open the Navigation Menu, select **Learning** to open a submenu and click on **Events Calendar**. On this page, you can review upcoming instructor-led training events. If you are looking for a specific event, you can use the filters on the left side of the screen to limit what appears on the calendar. Use the Day, Week, Month and Agenda views in the top right corner of the screen to help you identify events you would like to attend.

Your Transcript

You can access your transcript from the **Welcome Page** by clicking the **Completed Training** button or from the **Learning** submenu of the Navigation Menu. The Transcript page serves as a record of every training you complete whether it is an online course or an instructor-led event. Use the three drop down menus to organize and filter items on your transcript.

You can toggle between active, completed and archived trainings.
