YESS Metrics 2023-24 Summary Dashboard
Updated July 2024

The YESS Dashboard, a visual summary of the metrics detailed in ten [YESS Student Success Reports](), displays the
- directional change for each metric compared to the previous year,
- highest and lowest values for the 5-year time period, and
- range (H-L) in percentage points for each metric.

Metrics are grouped by the student population being measured and include all credit students, first-time college students, and first-time college, degree-seeking students enrolled full-time.
