Hello!

You're receiving this email because you were a PCC F1 international student at some point in 2023 (taking classes, on OPT, etc.). We're contacting you because it is tax season in the US and **ALL F-1 international students who were in the U.S. at any time during 2023 must file annual tax forms and/or returns** with the U.S. Internal Revenue Service (IRS) and the State of Oregon Department of Revenue (DOR).

Please see this important [Tax Information Handout](#) to help determine what your next steps should be. You can find even more on the [tax page](#) of our website!

We hope you're having a great week,
OISS

The Office of International Student Services cannot provide tax advice. You are responsible for complying with tax laws and should consult with a tax advisor if you have specific questions about your individual tax liability or if you have special circumstances.

NOTICE: Currently, all F-1 international students must be enrolled full-time, with at least one in-person class, each term. Starting in Fall 2023, all F-1 international students will be required to be enrolled for a full-time class schedule with a maximum of one online class each term. *The OISS is available by phone, email, virtual, and in-person appointments. Please visit our [webpage](#) for details of hours and how to contact us.*
