

Registered Apprenticeship at PCC- Cost Estimates

The following is a breakdown of the approximate costs* associated with employer sponsorship of an apprentice registered with each of the registered apprenticeship programs administered by PCC. Total costs will depend on how long an apprentice is in their program. Expenses assume 40 hours per week of eligible on-the-job training and passing grades in every course. Deviations from the proscribed curriculum or work schedule may result in additional expenses.

Administrative Fees

\$75 per apprentice per month	The administrative fee covers all expenses associated with processing apprentice applications and managing apprentice progress through the program. The fee is charged monthly through the JATC and billed quarterly by PCC to employers each month that an apprentice is registered to the Committee. Administrative Fees can not be charged to the apprentice. This cost must be paid for by the employer.
-------------------------------	--

Tuition & Fees

Employer subsidy of apprentice school expenses is strongly recommended but is not required. Arrangement for payment of these expenses is made by independent arrangement between the apprentice and their employer and can vary greatly.

\$133 per credit hour	Apprentice classes range from 1-4 credits per term. Apprentices take one core class per term, year-round for 4 terms plus an 8-hr safety class and first term Cultural Competency and OSHA courses.
\$50 per term (approx.)	College fees, actual cost will vary by credit hours
\$50 per term	Parking

Estimated Expenses by Program

Limited Building Maintenance Electrician	Tuition & Fees	Books	Admin Fees		
--	----------------	-------	------------	--	--

Year 1	\$2,423	\$450	\$900		
TOTAL	\$2,423	\$450	\$900	ENTIRE PROGRAM	\$3,773

Limited Maintenance Electrician	Tuition & Fees	Books	Admin Fees		
---------------------------------	----------------	-------	------------	--	--

Year 1	\$2,423	\$450	\$900	Year 1 Total	\$3,773
Year 2	\$2,348	\$300	\$900	Year 2 Total	\$3,548
TOTAL	\$4,771	\$750	\$1,800	ENTIRE PROGRAM	\$7,321

Stationary Engineer	Tuition & Fees	Books	Admin Fees
