

Approved Healthcare Certifications for the PCC Radiography Program

The following healthcare certifications have been approved by the Medical Imaging Department for 2025 application cycle. Domestic and international certifications will be considered. Only by uploading the required supporting documentation to the PCC, AHCAS application prior to the April 15, 2025 deadline, will applicants be awarded points. This list gets updated annually. For additional information about the selection criteria, please review the program admissions guide at:

pcc.edu/programs/radiography/wp-content/uploads/sites/96/2020/08/advising-guide.pdf.

If you already possess a certification that is not on this list, email the certification name, credentialing body, and job description to admissions@pcc.edu.

Please visit pcc.edu/radiography frequently to ensure you have the most up-to-date application materials.

Applicants are **strongly** encouraged you to meet with someone in Career Services to get assistance in choosing the right certification for you. This list contains numerous opportunities to gain healthcare work experience. Taking time to do research is important. To make an appointment with Career Services, go to pcc.edu/careers/contact-us/remote-services-request/.
