

Problem with Clogged Kitchen Sink

Sammy: Hello, May I speak with the _____(1)
_____ (2)?

Genie: This is apartment manager speaking. How can I help you?

Sammy: Hello, Genie. Sammy here. I'm in _____(3) _____(4).
My kitchen sink ____ (5) _____(6) and I need you to send a
_____ (7) as soon as possible.

Genie: All right. I'll send the _____(8) tomorrow.

Sammy: Genie, I'd appreciate it if you could send someone to fix it
today. The sink is all _____(9) _____(10). I can't do the dishes...

Genie: I understand your problem, Sammy. But, I really can't help. All
the plumbers are out on calls right now.

Sammy: Well, Ok then. But, could you send _____(11) later today
if a plumber becomes _____(12)? It's really a bother.

Genie: Sure. I will. But you're first on the list tomorrow _____(13)
if one doesn't.

Sammy: Thanks. I appreciate it.

Something's Wrong with the Drain

Teddy: So, what's wrong in the _____(14)?

Honey: I think there's something wrong with the drain. The tub is backed up.

Teddy: Let me _____(15) ____ (16) _____(17). You know what, Honey? It looks like the drain is _____(18)with hair.

Honey: Well, I guess my roommate didn't clean the _____(19)after taking a bath.

Teddy: Maybe. You should ask her to always get her hair out of there so this won't happen again.

Honey: Ok, but what should I do now?

Teddy: Don't worry. Just get some _____(20) _____(21). It'll dissolve all hair and other waste materials in the _____(22).

Honey: Gosh. That's _____(23)!
