INSTRUCTION FOR 2014 - 2015 THROUGH 2018 - 2019

REPORT: The academic year, as defined in the Faculty and Academic Professional Agreement, runs Fall term through Summer term. The change back to a 16-month calendar for the published Five-Year Academic Calendar was made in the interest of accurately reflecting the academic year as it relates to the employment of faculty and staff, and due to the importance that cycle holds for their planning and scheduling.

RECOMMENDATION: That the Board of Directors approve the attached Portland Community College 16- Month Calendar of Instruction 2014- 15 through 2018-19, Exhibit E.
